## **Niantic River Watershed Coordinator's Report**

August 1, 2019

Good evening,

Following is a summary of my activities since the July meeting.

**Outreach/Education:** Ralph Bates and I attended Celebrate East Lyme Day on July 20<sup>th</sup>.

**Monitoring:** I attended an RBV workshop at Sessions Woods Conservation Education Center in Burlington, CT on 7/23/19.

**NRWPP Update:** I have been working with Fuss & O'Neill to revise the workshop invitation letter, update the stakeholder list and stakeholder survey.

**Grants:** I've had no new grant opportunities to review.

### **Water Quality Improvement Projects:**

- East Lyme High School Infiltration Project (ECCD): ECCD has selected a contractor for this project, Anton Paving & Construction, LLC of Old Lyme, CT. WE had a pre-construction site meeting on July 26<sup>th</sup>. Installation of the infiltration practice began this week.

**Staff hours:** In July, I worked approximately 32.5 hours on Niantic River Watershed Committee business and projects. Of that, about 25.75 hours were for core NRWC activities (administration, outreach and monitoring activities) and about 6.75 hours were applied to the Watershed Plan Update.

Respectfully submitted,

A handwritten signature in blue ink that reads "Judy Rondeau".

Judy Rondeau  
Watershed Coordinator
